

Pneumatic Dropper

Attached to a
Reliant 3700EX Feeder

Overview:

Our latest design for accumulating batches of various products. Improves throughput for applications such as manually counting, scale weighing or tabbing products that need to be batched and packaged by shrink wrapping, poly-bagging, banding or cartoning systems. This value priced dropper can accumulate a wide variety of products including leaflets, envelopes, greeting cards, small booklets, brochures, and much more. Easy adjustments for height, width, and length of the accumulated stack. Available as an accessory to both ST-1250EX and Reliant 3700EX feeders.

Applications:

- Manual Counting
- Scale Weighing
- Tabbing

Features:

- Tool-less adjustments for easy setups and changeovers
- Easy to learn and operate
- Economical

Use with a wide
variety of products
